

TWO DAY GARDEN WORKERS TRAINING PROGRAMME OUTCOMES

COURSE OBJECTIVES

- ❖ Simple and effective teaching and training in basic garden care and maintenance.
- ❖ To introduce a positive sense of purpose in the garden by creating an understanding of garden activities to be applied.
- ❖ To present a basic gardening experience with clear explanations and provide helpful hints and tips for effective gardening.
- ❖ To meet other gardeners and to participate in a programme which is fun, interesting and above all educational and practical for application in the garden environment.
